

2019 Green Sports Alliance

Lincoln Financial Field | June 19-20th, 2019

*Collegiate Students, Faculty &
Young Emerging Professionals*

A Special Welcome:

The 9th annual [Green Sports Alliance Summit](#) is the world's largest and most influential gathering for the sports community to unite around sustainability. The event brings together hundreds of industry stakeholders to learn and share better practices and the latest innovations in greening operations, advancing the supply chain, engaging fans, and more.

Playing for the Next Generation

This June, let's come together to remember why we play, and why we work for greener fields and stadiums, and healthier cities and communities, locally and globally. Join us in Philadelphia – birthplace of the green sports movement 15 years ago – to reflect on our collective accomplishments and make a renewed commitment to future generations through exciting new initiatives that leverage the immense cultural influence of sports to make positive change.

Invitation Details

The Green Sports Alliance would like to formally invite collegiate students, faculty, and young emerging professionals to join the 2019 Green Sports Alliance Summit. The annual event is a wonderful opportunity for students, faculty, and professionals to engage with marquee stakeholders and explore development opportunities in sustainability, sports and facility management, and the future of the sports greening movement.

The Summit will feature a collegiate student poster session, as part of the event tradeshow, showcasing their projects around sports and sustainability. New this year, students and young emerging professionals are encouraged to attend two segments focused on networking and industry Q&A with experts and other professionals. Join us on June 19th from 2:00 – 2:45 and June 20th from 10:40 – 11:15 in the Tork North Club Breakout room to participate in these roundtable mentoring sessions. **Please register [here](#) to save your place.**
